

Jezreel Valley Regional Project — ISRAEL Summer 2016

The UNIVERSITY of OKLAHOMA

College of Arts and Sciences

OPEN TO ALL UNIVERSITY OF OKLAHOMA STUDENTS!

Follow OU Religious Studies Professor Rangar Cline as he leads this program to Israel for the third time. Participate on a five-day trip to northern Israel before the dig begins, then begin work on a fascinating archaeological excavation at Megiddo in the Jezreel Valley, the biblical Armageddon. Learn about ancient and modern Israel while discovering what archaeology is all about. Spend your mornings at the dig site and afternoons at the kibbutz where the group lives. Attend lectures by faculty leaders some afternoons and evenings.
